FULL WEDDING PLANNING IN ITALY

CILENTO • PUGLIA • SICILY

Weddings that feel as good as they look.

MORE THAN ONE BEAUTIFUL DAY.

Your wedding in Italy should feel like being somewhere you love, surrounded by your favourite people, with time to eat well, celebrate properly and enjoy everything that brought you to Italy in the first place.

I take care of the planning behind the experience — venue and supplier sourcing, budgets, design, guest logistics, timings and the celebrations themselves — so you can enjoy being part of it.

ONE POINT OF RESPONSIBILITY.

VENUE RESEARCH

Finding the right place for your guest numbers, style, priorities and wedding weekend.

BUDGET MANAGEMENT

Clear guidance on where your money matters most and keeping decisions commercially grounded.

TRUSTED SUPPLIERS

Local teams chosen for fit, quality and reliability — not because they pay commission.

DESIGN & ATMOSPHERE

A cohesive visual direction that still feels relaxed, personal and rooted in place.

GUEST EXPERIENCE

Accommodation, transfers and the details that make travelling to Italy feel easy.

TIMELINES & LOGISTICS

Every moving part brought together, followed by wedding-day coordination.

CLEAR ADVICE. TRANSPARENT COSTS.

No hidden supplier commissions.

My recommendations are based on the supplier I believe is right for your wedding — not on commission. If a supplier offers One Fine Day a commission or commercial benefit, that saving is passed on to you. Your planning fee is clear, and the relationship between planner and couple stays transparent.

WE CREATE THE DAYS AROUND IT.

A welcome dinner or pizza party. The wedding day itself. A long farewell lunch. Perhaps a boat trip, wine tasting or cooking experience — and enough unplanned time for everyone to actually enjoy being in Italy.

The aim is not to fill every hour. It is to create a natural rhythm across three or four days, with each part feeling connected.

Luxury is having time to truly live it.

THE ITALY WE KNOW AND LOVE.

CILENTO

Coastal villages, genuine hospitality, local food and a slower rhythm. For couples who want Southern Italy before it feels overdone.

PUGLIA

Whitewashed towns, olive groves and masserie. Beautiful for relaxed celebrations built around food, landscape and long evenings.

SICILY

Bold, romantic and individual — historic towns, vineyards, country estates and dramatic coastal settings.

YOUR GUESTS ARE PART OF THE EXPERIENCE.

Destination weddings ask something significant of the people you love. They are booking flights, arranging time away and navigating a place they may never have visited before.

I help make that experience easier through accommodation guidance, transfer planning, clear guest information and a wedding weekend that makes the journey feel worthwhile.
